“ Dear Hester and Family, I am sorry to learn about the passing of your loved one, Kirby Highsmith. I did not know him but am impressed by the way he cared for his family, neighbors and friends. Please take comfort in the love you share and honor Kirby's life by helping others the way he did. Helen Keller is credited with saying, "What we once enjoyed and deeply loved we can never lose, for all we love deeply becomes a part of us." May Kirby's - and your family's - legacy of service and caring for others always be part of you. Prayers for comfort and hope,
