“ My Sister, by marriage and Aunt Kissy to my children, Gunner, Logan and Riley Chaney, we have had lots of very special experiences together, growing up and raising our children, spent many a day together at Wakulla beach, Cherokee sink, cut many a rug at local watering holes. Until we meet again, kiss my baby and Mark and Mawmaw, and rest in peace with our Heavenly Father and all of our family members!! I love you and am forever thankful that we had so many good times together.

“ Kristie and my paths crossed many years ago at a time during our journeys that we both needed a true friend. That is what I found in her. As we all know true friends are very rare. I could always count on her. I'll miss her beautiful smile, loving stories of her family. That she loved to share. Her laugh. But she's in Gods house now. Watching over her family and friends. Love ❤️ and Miss you Lady. R.I.P. Always and forever

“ I'll always remember my Kristie Jo singing the "The Best Of Bread" cassette with me every morning as I took her to school on my way to work at the Ambulance Service in Crawfordville. My baby knew every song and we would sing our hearts out & laugh. Baby girl, give all our family love from me when you reach them Pearly Gates. You knew you always had a special place in my heart.💜
