“ I remember the day the kids got off the school bus , as we walked to the house the trees were covered with cocoons. After bringing their bags to the house we went back to check out the cocoons. I told the kids they could open one to see what was in there. Kyle loved it ! We ended up taking a lot of the cocoons home. By the time Delana came home Kyle had all of them open, with the worms all over the steps to the house. He wanted to save them all in his room. Needless to say Delana vetoed that idea. I loved the time I had with Kyle, Lauren, Kelsey and Brian each day. Kyle was a wonderful young man and will be missed greatly.

My grandson wrestled with Kyle last year but did not know of his passing until he got to school Monday. He was very upset and called us at home. This really had an impact on him. We're praying for the whole family during this time of sorrow.

“ I had the pleasure to meet and spend some time with Kyle last Thanksgiving. He was a very smart kid. Enjoyed hunting with his Dad. We was so helpful, to gather wood and build a fire for the kids to roast marshmellews. thoughts and prayers for his parents, the rest of his family. Its not going to be an easy road for them. Put your faith in God, Family and friends to get yall thru It. Take one day at a time. Jerry I dont know what to say to you and your family. Except for I'm so sorr, his life ended at such a young age. He was a nice kid and I know you spend time trying to take him hunting and doing things with him. You were a good Dad to him and your daughter. Its not going to be easy for you to deal with this. But just remember the memories you had together. When you have a hard time dealing with it. Ask God to take your mind off it and he will. God bless you and your family. Mike also sends thoughts and prayers to yall.
