“ My name is Lauren Thornberry from Louisville KY. I am a recovering drunk. This man was the one that caught my attention in AA. He was funny, loving, kind, and the person that spoke the night I chose to finally surrender my life to God. As I picked up that white chip he shook my hand and told me to keep coming back and good luck. His smile will always be remembered by me and his ending story every time he spoke, that is what helped me decide to live instead die. Thank you Larry, you will never be forgotten by me:) I will see you at the gates of heaven one day

“ Larry was my brother Mike Clark's sponsor and did the eulogy at Mike's funeral in 2009. He was a gift to Mike and together they worked hard to bring others to AA and a sober life. Mike was an AA member for 37 years when he died. Mike lived the AA beliefs once he became a member. I attended all Mike's birthdays and met Larry that way. Larry has made Heaven a more beautiful place and was welcomed home by all his AA friends who he led there. He was a gift to all who met him. He and his family are in our prayers. Don & Anne Clark.
