“ Oh, Desperado, as I struggle to grasp you too are gone, Daddy joins you and Mike in Heaven. My grief has been amplified learning of your passing also. What an amazing big brother, friend, and comrade you were to me. I will miss our random calls that lasted for hours and the assurance I was genuinely loved and adored, regardless of time or distance. Your compassion and tenacity remain embedded in my heart. I know this is not a goodbye, but a "see ya later" but oh, how I will miss you till then, too. I love you Larry Allen Brown. “ My sympathies to Miss Joy and Jeff. My memories of Larry are quite personal but he lives on in my heart. He was the best friend I ever had in this life. He helped me through some very dark times in my life. I was heart broken to hear of his passing. I love you Larry, you were the light that guided me through the dark.
