“ *My heartfelt condolences to all of Denise's family. One of my favorite memories was when I got invited to go to Florida with her & her family. I was about 15 at the time & had never been there, so I was quite excited & so appreciative. You never had a bad time around Denise because she was so much fun. We went to Carrabelle & went out on her Uncles shrimping boat & got stranded on Dog Island for most of the day. It was an adventure. RIP my friend & peace & comfort to all that knew her. but especially to her family.*

“ *I have great memories of my cousin Laura. We were very close as teenagers and enjoyed many camping trips (even the ones in the back yard), and weekends swimming at Little River Canyon, Alabama. As adults, life took us in different directions, so we didn't see each other much. However, I thought about her often. I will miss you. Rest in peace. Love Karen Grove Lewis.*
