“ I am so sad. I just learned this today, January 22, 2019. Layol was one of my closest friends growing up in Bristol. We had many good times during our childhood and high school. So, so sorry to hear this. May God grant her family peace and may she rest in peace.

“ So sorry to hear of Loyal's passing. She and her late husband , Arthur, were childhood friends of my husband, La Don... She graduated from Bristol and he from Blountstown. When Don and I married and moved to Tallahassee the friendship renewed and a lot of good times, playing cards, eating good food; that her sweet Mama cooked, and telling jokes ensued Loyal and I both worked for Southeastern Telephone Co, Centel and then Sprint. She loved life, family and friends. She certainly will be missed
