We used to fuss about us being born on the same day, and I used to tease you bout me being the oldest. Sleep well My Family. “ There are no words right now that can ease the pain or bring much comfort to a broken heart. Lena and I were colleagues at The Millicent Holifield Academy of Health Sciences at James S. Rickards High School. She was a great friend and an inspirational instructor to all of us. We try to understand and accept God's will and believe that we shall see her and her daughter again. Lena and Allyson, you are greatly loved and will be greatly missed. Sleep on woman and angel of God, and take your rest. We love you, but God loves you best!
