“ I always loved Linda. Especially since we had the same name. She'll always be Linda Burton to me. I always thought she had such beautiful girls. Yes I'm talking about you Margaret and Keri. I always have admired what a great Mother she was and her devotion to her girls. And my Mother (Mary) sure loved her too. Linda fought one of the hardest fights women can face. I'm just sorry it won. But she's not suffering anymore. Margaret and Keri you're in the same club that alot of us are in. Girls whose Mother isn't with us anymore. But she really is. Just like everytime I look at my hands there's my Mother. I'll be thinking of you. I love you dear cousins.

“ Linda had grit, she had a ready smile. She loved her people. May her love shine on you as you navigate this journey without her by your sides. Her sprit and love are with you. ❤️
