“ I have so many beautiful memories of my friend Linda. We were best friends for years. I first met her when my husband and I ran a thrift store and we hit it off from the first day she came in there to shop. My husband and I moved to Orlando but Linda and I kept in touch all these years. When I did not hear from her I kept calling but got no answer, sent cards but received them back so just heard about her passing yesterday. I loved her so very much. Never had a better friend. .

“ I really liked Linda. We worked together at the St. Marks Restaurant for several years. She was always there with a helping hand when it was needed. I had lost contact after the restaurant closed but often thought about her. Sending prayers for the family and I can assure you that Linda has everything under control.
