Linda Wicker you will be sorely missed amongst Wakulla by many of the so many children and adults that you influenced so well... Love the video as it tells your testimonial so well...your heart was with the children! It has been many years since we worked together as you were the cook, and a very good one with a spic and span kitchen! We had fun times together with Serita Ison Gay & Melisa Spivey... RIP Linda

Linda and Chuck were friends with my husband and I for many years. What a great job Linda did at Happy Times. She had so many of our grandchildren in her daily care and loved all of them. I felt there was a special bond with Linda, a friendship that always received a big smile and a hug when we would see each other. Linda will be missed. Our community lost a precious person and God received an angel. Love to Linda, I will miss you. Mary Walsh

“ *Ms. Linda was the closest thing to family that we had in Wakulla County. She loved Jake and Hannah like they were her own grandchildren and they loved her as well. She would pick them up when they were sick and nurse them back to health, celebrate their successes and was even there for graduations and proms. I learned so much from her during our many talks each afternoon and she always gave me that motherly advice. She gave unconditional love to all of us and made us feel like family. Ms. Linda was loved beyond measure and will be missed by each of us.*

“ *When I moved to Crawfordville 10 years ago and was looking for a daycare I wasn't sure if Happy Time would be the best fit for my first time mom craziness. As soon as I met Ms. Linda, I knew this was the place for my then 2 year old. Ms. Linda was just so warm and inviting that I instantly felt comfortable with her and her business. She always went above and beyond what needed to be done. She tended to every child as if they were her own. Ms. Linda truly is one of the best people I have ever had come into my life and I will forever be changed by knowing her. She was an angel and will be missed terribly by all who knew her. Rest in peace Ms. Linda. We love you!*
