“ *Tad & Family,  
Lisa was more than a co-worker, she was a friend. We spent  
countless hours talking about our families and animals over the  
years. She was always upbeat and had a smile, even when life  
handed her lemons! I will always remember her smile! I am praying  
for each of you!*

*Love,

“ *To Tad & Family.*

*My husband and I are good friends with Jolane and Charles. We met Lisa on her trips to visit Jolane in Rescue, VA. Lisa was a joy to be around. Always happy with a big smile on her face. Whether she was riding the John Deere Lawn Tractor or buzzing around town on Jo's moped she always had fun. She loved all the animals, especially horses. She is no longer in pain and is practicing her jumps from cloud to cloud on her mighty steed in heaven's corral. Blessings to you all. I know she will be missed.*
