“ To the Family of Louie Sackwitz,
So sorry to learn about the loss of your Dear Loved One, Louie.
Please know that so many people share your grief with you to help
you through this difficult time of sorrow. Please accept my deepest
condolences as we await the time when Christ Jesus will awaken all
those who have fallen asleep in death; including your Beloved,
Louie.

“ My favorite memory of you is when we were about 13-14. We'd just
moved to Tallahassee and didn't know the area at all. We walked
down a road and there was a RR Track at the end. A freight train
was coming and we got the bright idea to jump on. We did. And
road it about 5 miles before it slowed down enough that we could
get off. We were thoroughly lost and had to call Mom to come and
get us. It was a lot of fun, until we got home! Miss you little brother.
RIP.

“ *The Anderson family has fond memories of Louie playing his guitar and singing around the campfire. He was a wonderful person and a great friend. Our condolences to his family, we pray God's comforting grace be with you during this troubling time.*
