

Louis Andrew "Andy" Sutton Jr.

February 13, 1962 - July 7, 2024

Louis Andrew "Andy" Sutton, Jr., 62, of Crawfordville, passed away July 7, 2024, with his loving family beside him, his pride and joy. Andy was born February 13, 1962, in Houston, Texas to his parents Louis A. Sutton, Sr. & Jane Yancey Sutton. The family moved to Tallahassee, where Andy grew up and attended Kate Sullivan & Frank Hartsfield Elementary Schools, Cobb Middle School and Lincoln High School. They moved to Wakulla County, and he attended and graduated from Wakulla High School, class of 1980.

Andy excelled in football & baseball during his school years and in his adult years enjoyed and was outstanding in softball & golf. But his favorite activity of all was that of a sportsman. If there was a fish to be caught, a deer to be harvested, a turkey to be stalked, Andy loved it!

Andy married the love of his life Wilhelmina "Mina" Love Morrison, (1985-2024). They lived in Crawfordville their whole married life and were the proud parents of three beautiful daughters Amy, Amanda & Libby. Andy enjoyed spending time with his girls; whether it was watching them cheer, play softball or act on stage. He eagerly shared his love of the outdoors with his daughters. Andy had a stern look but was a big teddy bear with a hilarious sense of humor; a jokester and loved to pull pranks on most anyone. He always said that when he was growing up, he had to keep working at a task, until he got it right. His parents were stern and wanted him to learn during these tasks, so Andy learned to study a problem until he knew it was right the first time. Andy had so much common sense; a creative artist and enjoyed planting & working

in his garden.

During Andy's working years he made so many special friends. He was employed as a Mechanical Supervisor with Vause Mechanical, Council Brothers Plumbing and as a Plumber with Leon County Schools.

He will be remembered by his wife of 39 years Mina Sutton, daughters Amy Parker and husband Kyle, Amanda Miller and husband Jordan & Libby Sutton, grandchildren Kyla, Kayden, Kyndal & Sutton Parker and Forbes Miller, Andy's older siblings Patricia Robb and husband Merle, Lulu Sutton & Yancey Sutton and wife Caroline, mother-in-law Wilhelmina Morrison, sister-in-law Sarabeth Jones and husband J.D., brother-in-law Trey Morrison and wife Sherrell and tons of cousins, nieces & nephews and he loved you all. Many friends that he loved like brothers and sisters...Andy loved big!

Predeceased by his mother Jane Yancey Sutton, father Louis A. Sutton, Sr., brother John L. Sutton, paternal grandparents Russell & Vera Sutton and maternal grandparents Malcolm & Annie Mae Yancey.

A Memorial Service will be Monday, July 15, 2024, 10:00 am at the Mysterious Waters Community Park.

Skip & Trey Young along with Paula and Kimberly are caring and assisting the Sutton family. 850-926-5919 Familyfhc.com

“ *I set down and wrote this on Tuesday and posted it. The joke was on me again Andy because it still hasn't posted. So I will try to write it again. I will always remember the time's you would comeby and leave me something from your weekend adventure. There was a catfish head on my gate or deer leg or turkey foot. Then when I would get to work someone would let me know about the catfish head on my trailer- hitch. Get ready Heaven because the best fisherman, hunter, and softball player is coming. I will always keep your memories close & remember all the good times we spent. Love You My Friend. Greg & Rita*

“ I had the opportunity of knowing Andy for many years, growing together in the plumbing and mechanical trade we often crossed paths and spent some memorable time together. We worked together at Hay's mechanical during the construction of the Leon County courthouse, his father Louie was the threshold inspector there ,we were fortunate to work alongside great group of young men that would go on to establish their mark on building Tallahassee. Several fond memories come to mind, my most favorite is when Andy got caught playfully seeking revenge on the electricians by daily putting fish guys down in their office wall until it was completely unbearable, after that a truce was called between the trades and I was tasked with having Andy apologize to the head electrician which he did and promised no more shenanigans. Later that afternoon on my way home I smelled a strong odor of dead fish in my truck and upon looking around I lowered my overhead visor only to have a dead mullet land in my lap as I drove down the parkway. Where I confronted Andy the next morning he just smiled and said he had his fingers crossed when he promised, always the joker. There were numerous trips on the Wakulla river and many games playing softball, memories that will last a lifetime, it was a blessing to speak with Andy last week and were able to revisit our adventures, Heaven has a special man ,rest easy brother, your friend

“ Soon after moving from Iowa to Florida and meeting Andy through baseball. He, David Smith, Mitch McElroy and myself took I believe Andy's boat out on the Wakulla river to see if I could ski. Not knowing that the Wakulla river in 1980's was full of gators, I did successfully get up on the skies just to be pulled by gators and slowing the boat down, toying with me, scaring the s--t out of me, LAUGHING to tears the whole time! Andy, showing this Yankee that gators were not scary, dove in and tried catching this 3 to 4 foot gator!! He was a "Beast" and absolutely one of a kind. Will MISS him! Good man and Good FRIEND!!

Andy was the quiet one if there was such a thing in the Sutton family. We were closest in age but he still seemed older when we were young! He had such a sweet and endearing manner and a huge heart as seen with his family and friends. My heart is broken for Mina and for their entire family. Love however is never lost. Share your stories. Keep him ever present ❤️🥺🙏🙏🙏 love you 🥺
