“ My love, thoughts and prayers to the family. I wasn't prepared to say goodbye to my Sister in Christ, but I know she is with those that went before her, those that love her, especially her Mama. I can see her now singing with my Ralph, her buddy. Those two could talk for hours and I never had to ask him who he was talking too. There was never a conversation we had without it ending in 'remember I love you, you pray for me, and I'll pray for you.' I will remember always my sister. Our last goodbyes ended in expressing our love for each other, I am so thankful for that. I will miss you!

“ My son rode her bus throughout his school years along with Mrs. Martha. He said he has the best posture because Mrs. Lucy didn't allow you to slouch in the seat on the bus. That "Mean as Ever" angel will be missed!

“ *Ms. Lucy was one of the kindest Christian women I have ever known. She always had an encouraging word to brighten my day. She had an infectious smile and positive, can do, attitude. She loved ALL of her many children (bus children included) and was especially excited to talk about her grandchildren. Our conversations always found a way to include her father's influence in her life. She loved the Lord and her Church Family. I will miss running into her when she was "out and about," especially at Savannah's. She was proud to work for our School system and I also helped with many of the Bus Rodeos that she competed in. I know she is enjoying her reunion with her family in heaven and would want us all to continue the race to rejoice with her there. May God hold her precious family close together during these days of loss. What a blessing to have known and loved her. Becky Cook, (former School Board Member, Dist. 3)*
