Luther (Luke) Frazier, 82, of Crawfordville, passed away February 21, 2020, at the Margaret Z. Dozier Hospice House in Tallahassee, Florida. He was born February 26, 1937, in Kingsport, Tennessee, to his parents Philip and Lillie Frazier. Luke worked as a Heat Treatment Engineer Supervisor for Caterpillar in Peoria, Illinois. After leaving Caterpillar, he became a Program Director for the Boys Club of America in Chattanooga, Tennessee. After moving South, he worked briefly as a Tugboat Captain in Mobile, Alabama. He settled in North Florida where he worked for over 20 years in maintenance at General Dynamics, and retired in 1999. Beginning at an early age, Luke enjoyed the outdoors where he enjoyed hunting, bird watching, but his true passion was fishing. This passion carried over to his later years where you could always find him with a fishing pole in his hands, or at least nearby. In his retirement years, he received his Captain's license and operated his own fishing guide service. He loved to share his favorite fishing spots and his passion for the sport. He also wrote weekly articles for the Wakulla News, where everyone knew him as Captain Luke. He was well known for ending his articles with "I may not know every fish by name, but I know where they live." After the guide business, he worked at Angie's Marine Supply to age 80, where he continued his abundant knowledge of fishing. Luke's other passions included reading, spoiling his grandchildren, and telling stories. Luke was a member of Lake Ellen Baptist Church where he volunteered for the Alzheimer's Respite Project for over ten years, also was involved with the Fellowship of Christian Athletes

for many years and loved Alabama & Florida State University College sports. Survivors include his children, Melanie K. Roberts and husband Doug, Julie Frazier, and James Finch, all of Crawfordville, Florida, Dyann Carr and husband Greg of Texas, his brothers Phil Frazier and wife Leta, Samuel Frazier and wife Barbara, eleven grandchildren, five great grandchildren, and very special family friends, Mike and Colleen Crum, and Caleb Harper. “ I am so sorry to hear about Luke. What a great man. I know he worshiped his granddaughter and every time I was in AMS getting bait he would talk about her. Only fished with Luke two times but I saw him in Costco one day and we were gonna fish this spring. I will miss Luke and I'm sorry we won't be able to make that third trip.

“ Luke and I met in Illinois I believe in 1972, our first conversation upon meeting was about fishing and we planned a fishing trip right away. We fished as often as possible in Illinois, mostly and strip mining pits around Farmington Illinois. Luke move to Florida around 1980 and I moved to Florida in 1982 and we took up fishing together again. We fish hard and often, whether it be freshwater or saltwater and always had the greatest time. Luke was just a great guy to be around, he was as friendly as anybody I've ever known and positive all the time. I don't believe I remember seeing him angry at all. So many wonderful memories and I will miss him always. Steve Cowen
