So hard to believe you are gone girl. I remember when you were pregnant with your babies, how you would make their baby food, and when you said you really loved my name and were going to name your little girl Amy. I was so touched!! RIP sweet friend. You will be so missed.

Valerie and Eddie and our little gang were all hang out kids @ Beeps in Wakulla. She was so wonderful to me. Caught back up a year ago and neither time nor this cruel world spoiled her most possitive, happy Spirit. Such a shock she's gone on. GOD BLESS YOU ALL!!!

I'm so sorry, she was a beautiful person inside and out, so many memories of hearing her laughter. I haven't see you until a few months ago and now you're gone. Hold on to each other and tell each other every day how much you mean to each other. With love Cindy and Garrett
