“ *Sheila (and family), I'm sorry for your loss. I remember your Mom from when I lived in Carrabelle as a teenager. She was the sweetest lady. My heart hurts for you and especially your Dad. Though I haven't seen any of my old friend's from Carrabelle in years, I still remember all of you !!*

“ *She made the best Taverns and her baked pork chops with potatoes was amazing. When I would carry her to her doctor's appointments in Tallahassee we would always go be at Olive Garden on Apalachee Parkway. I remember one time she bought Denium a pair of shoes and I really needed a pair but I wanted Sperry's and they didn't have any at Hibbet Sports in Crawfordville. She said we was not leaving until I got me a pair. I ended up getting a pair of black Nike Shox. IThose we're the best dang pair of shoes I've ever owned and lasted for about 4 years. Mema was a very special and caring woman! She will be truly missed and never forgotten. I'm very thankful for all the years I was able to spend with you! I love you mema! Fly high sweet angel!*
