This was so touching and what a great selection of songs that he'd of loved, there were so many great ones but I think "Daddy's Hands" was most touching. Such great memories to hang onto, the video was well done. Now he's looking down on all of us and saying you're going to love it here. I believe the rapture is closer than some of us think, we must get ready. Love Ya ❤️❤️❤️

*Nice knowing as a child you had my father's back at station ...firefighter's were and are my heroes for life
Fly high you've made it to height I hope to know some day
If you run into the Captain give him a hug from me*
