“ I never thought that I would be writing a tribute or memory about you Megan and I would give anything to turn back time and have you and Andy back with us. Working with your mom as long as I did I had the honor of being your babysitter for several years. I watched you grow into a beautiful young lady and become a mother to 2 wonderful children. Even tho your time here with us was cut way too short you accomplished so much and touched the lives of so many. Rest in peace sweetheart we will love and miss you forever!❤️

“ My condolences to the family especially her mother and her son. My prayers are with you all for peace and comfort during this difficult time. I have known Megan since Kindergarten and although we lost touch in our adult lives it doesn't make it hurt any less. Such a sweet soul gone too soon.
