My prayers for Missy's girls. Heaven has gained a beautiful and sweet Angel. May God keep you all safe and in his loving arms. I will always remember Missy as a loving Mother. I am so blessed to have known her, Darrell and the girls. I truly enjoyed getting to know them while we built their new home.

Lots of Love and Prayers

I love you so much for the past 9 years you became more than a friend to me you became my sister. All the memories we have together. We so many wonderful, fun, crazy times. I am so thankful Lee and Charley met and became best friends not only did I gain a sister but I gain fun 4 beautiful and wonderful nieces who I love as my own. We will always remember the wonder times we all shared. All the holidays, beach trips, late night conversations, dancing on the Wii, and so much more. You were the first to know some of my deepest secrets that you never repeated. You were there for me in good times and bad. You were there wiping my tears when most people judged some of my stupid mistakes. I will forever love you and miss you sister. Girls you will always be apart of my life and always welcome. Love Always Cody, Lee, Maddison and Roy

Missy you will be miss but always in our hearts. God needed a beautiful angel and he took. Your were here to brighten our life. God gives you only what you can handle. No more pain, tears and heart ache. Spread your wings sweet angel and fly. Our family may have lost you but we will see you again one day. Kiss you father for us. Watch over your mother and brother. Love you always as the sun shine I will think of your smile and when it rains I will think of the years you cried and when it's cloudy I will see you sitting on it . Hugs for you from Aunt Connie and Uncle Marty Putnam.

Missy the skies are beautiful today and as the tears well up in my eyes I keep reminding myself to look up and remember you are looking down from the clouds flying high. You were more than a great friend for me the past 9 years, you were a sister. You stood by me through my toughest days and didn't give up on me when a lot of other people did. You always will be in my heart and spirit. I will never forget you. Love you and miss you very much!
