“ Mike was a great friend when we were growing up. We had tons of fun climbing trees, building forts, and playing baseball. Everybody wanted to be on Mike's team. We made the most of our many outdoor adventures together. My thoughts and prayers are with the Dull Family. Diane Wagner Carr

“ One of my honorary Big Brothers! How lucky & blessed "we kids" were to grow up together, in our lil neighborhood of close families & what we all had! Some of my life's most treasured & happiest memories are there with y'all boys & down on lake Talquin at your grandparents & at our place on Blount Creek and when we'd take y'all out to Chaires sometimes. So honored to have grown up with you fellas! I Love me some Dull Boys. I'll always remember you fondly, Mike Dull. Family forever & always! -Darby Lee Wagner-Boyett

“ I new Mike and his brother Bill long ago in Tallahassee when we were kids. We played baseball together in an empty lot just down the street from where I lived on Oxford Road in Tallahassee, Florida. It was very close to their home. We also made some music together as he and others brought some equipment (drums and guitars) to play Hey Jude with me. I was able to play it on the piano as I was full up on piano lessons. We were around 10-11 years old when all that happened; then I moved to Laredo, Texas. I never saw him again. But I remember him very well and I'm sad about how the back-end of life feels even for someone you haven't seen in 48 years; even if he never knew that you remembered him well; even if he never knew that the time we shared is a vital part of life because memories have provide a deep well of experiences that to draw upon at any time to cope with today.

RIP Mike

I remember you.
