“ *I only met Michael once but I could tell right off that he had an awesome spirit about him. I remember the day Rachel first moved in with Michael, she called to tell me all about him. Told me how he was taking care of her and had a good job and how he made her happy. That was honestly the happiest I had ever heard her. They were good for each other and so in love. To his family, I am so sorry for your loss and I send my deepest condolences and prayers to you during this sad time.*

I'll always remember how much he loved animals and all the time he gave volunteering to help them. He was gentle and kind and willing to help show the newbies how to build. Heaven has truly gained a beautiful new angel. We are so sorry for your loss.
