“ Maddie and Levi, My heart is broken and I know it's hard to understand why he was taken before he even had a chance to be with us. The only thing that I know is that the Lord needed him for his kingdom more than we needed him here. His purpose and calling on his life is far greater than we can ever imagine and one day when you make it to heaven you will understand what God's plan was and is and you will be reunited with him for eternity. Just know that you guys are loved very much and we are here if you need us.
