“ *My Aunt Mildred was such a wonderful person. She was full of love and laughter, always up for fun. I have so many wonderful memories of her and will miss her. She was like a sister/mother to my dad and took such good care of him. My prayers are with everyone whom she held a special place for. May you find peace knowing she is in a better place. I love you Aunt Mildred and thanks for all the wonderful memories.*

“ Joe, Brad & family: We are so saddened to learn of your mom passing away. She was like a 2nd mom to us. She was so sweet, kind, funny and loving. We will never forget the wonderful times we had as kids swimming and eating with y'all @ your parents house. May God provide each of you peace and bless y'all during this very difficult time. Love, Laurie (Singer) Hunter

“ My Aunt Mildred is one who always Loved and is Loved, she was great to my Dad, full of life, energy, witty and would always be concerned and engaged with every person in the room. She had an exceptional history of service with the State of Florida and her reputation was one to be admired and something to strive for in what we do in our life time. Way too many fun and exciting memories around her - from trips to Washington DC to be with her and my Uncle Pete, trips to the beach where she always stayed in the same place and always drove a Lincoln Mark car, to her place a stones throw from I-10....they will always be treasured times and never forgotten! May the Peace of God, that abounds all our fleshly understanding be with her awesome family, that they sure reflect my Aunt Mildred so much! Love Ralph, Jr., Mrs. Patti & Ralph, III.
