“Nub” and “Spunk”, My heart goes out to each of you in the loss of your Mother. You both can be very proud for showering her with your love, meeting her needs and making sure she had a comfortable life. I lost a good friend. We had some good times of shopping g for antiques , yard art and our love for flowers and finishing our day with lunch. God blessed her with a talented creative mind! She will be known to a lot of people as “the lady” in the park in the wheelchair. She was an inspiration to all for her perseverance and endurance. She will be sorely missed , but we can be thankful to God she is no longer in pain! Thank you Mioshia for your friendship and good times ! I love you.💖 Carole
