“ *To the family, my heart-felt sympathy in your loss and I know God's love will surround & comfort all of you. My best cousin & we were more like sisters. So many sweet memories of our growing up and graduating together. As going our separate ways we always kept in touch and visited when we could. We shared secrets and we bragged on our grandchildren. We always remembered our birthdays because we are 5 months apart. More than words can say I will miss Jean. Another star shining down to thank God for her & always love her. Linda Tyson (Mathers)*
