“ *This obituary just breaks my heart. I don't understand how no one could say anything about how beautiful and kind how intelligent and spirited Pattie was, she lived an amazing life and I loved here deeply and I am heartbroken right now that no one in wakulla after all she did living there doesn't have anything go to say about her. Shame on all of you. Aunt Pattie I'm sorry I wasn't there I know you are in heaven and I love you always.. You were a beautiful soul and I was honored to have known you.. Love Renae*
