“ I’m am very sorry to hear of Pat’s passing. I wish I could of found her earlier. I am from her and your families past (Tulane, Waynesville, Missouri) I did not realize she had been keeping in touch with my mom Virginia until I found some letters. What a beautiful family she made and took care of and all the wonderful things she always had to say about everyone. I hope it’s ok that I sent this. I just needed to say your family was a big part of my childhood and I’ve never stopped thinking of you all. My thoughts and prayers are always with you. My parents still live in the same place in Cottage Grove MN. With God’s grace we shall be healed of our sorrow. Vicky
