“ I remember attending Woodville First Baptist some 35 years ago I saw this beautiful distinguished lady there which always dressed perfectly with his husband. I complimented her and she told me “my husband takes me shopping for all my clothes and pick them out too.”

Ms Pearl was a very special lady.

Praying for her family at this sad time. A legacy has gone to heaven to be with her Jesus.

“ I will always remember the story about the chicken with the crooked foot! And how she despised bananas! I loved her strong will and personality! In 27 yrs of nursing I can honestly say having a resident like her was my entire reason for doing this. We had such wonderful times! Love and prayers to all her sweet family, especially Ms. Loyce.
