“ *We met Penny and her parents, Annie and Floyd Matthews, when Penny was a spunky three year old, about the same age as our daughters. Penny was such a good friend to Annie and Mary in high school that I will be eternally grateful to her and her mom for their help. Recently, a half century after we first met, Penny and I had been staying in close touch via Facebook. Penny was outspoken and didn't put up with any bullshit, but she had such a kind heart and was fiercely loyal to her family and friends. I can't believe she's gone and I will miss her a lot.*

“ Who could pick just one memory? I can't, there are just too many great ones to choose from. I always looked up to her, wanted to be just like her. She always projected such confidence and strength and loyalty. Fiercely protective of me just as our Aunt Gwen was fiercely protective of both of us. We spent so many summers in Osierfield at Grandma's. Hanging out at Lake Bea or just at home wandering the dirt roads (barefoot Of Course lol). Stopping at Maddie's store and charging drinks on Grandma's account. Visiting everyone in our little one horse town. Great Aunts and Uncles. Aunt Gwen always nearby and at the ready for an adventure or rescue. We may not have seen each other much in our later years but we always Loved each other and had a connection that was ours alone. It means so much to me that my son reached out to connect with her and she responded as only Penny Lane could, with love they spoke at length and more than once. They last time expressing to each other the same thing that she & I had expressed to each other-- we needed to get everyone together soon, without it involving a loss. Sadly that never happened. I wish he had gotten to know her the way that I did & I had gotten to know her wonderful boys, I take responsibility for my part in that, we lived in the same state only hours apart but life always seemed to get in the way as it often does. She will forever be in my heart as she always has been the only thing that has changed is now she's looking over us along side our Granny Faulkner, Uncle Esbon, Grandma & Granddaddy Young, my Mom Judy, her Mom Ann, Her Son Matt, Aunt Gwen and cousin Kathy Echols and so many others. I see you everywhere my dear sweet cousin, and miss you with an ache that will never go away.
