“ To Joanne and Perry's family:

Perry was a special member of the SHS Class of 1953, Statesboro, GA. Perry was also a member of the "Original Club" - starting 1st grade and going through 12th grade with 28 other members of our class. Perry was a special friend and returned to Statesboro many times to attend reunions of our class. One special memory I have of him is that my sister Betty thought he was such a great dentist that she would return from Texas to Atlanta to have Perry do her dental work! That's quite a recommendation. Perry we will miss you greatly. Joanne and family - keep memories of him in your hearts always - they do help heal the grief of loss.

With love, Jackie Mikell Yates, Vice President, SHS Class of 1953

“ Mr. Perry was one of the finest men I've ever known. He was a friend and mentor that I will sorely miss, yet I know we will meet again. He was a rabid University of Georgia fan and I will miss our Sunday morning football debates (before church). Therefore "Go Dawgs!" Go rest high on that mountain.

To Joanne and the family, I was a classmate in the "Original Club" that Jackie Mikell Yates wrote about. Perry was a very good friend and we shared many good times through our school years. I was very sad to hear of his passing but look forward to seeing him again one day. My sympathy to all of you. God Bless.

Josephine (Jo) Attaway Akins. My husband Paul joins me in sending our thoughts and prayers.

*JoAnne and family,
I am so saddened by the death of Perry. He was the best friend ever always including me after Bill died. You are like family to me.*

Deepest Sympathy

Our hearts are so saddened for the loss of Perry, he was one of the finest people I have ever known. He was a wonderful Friend and welcomed us anytime we could visit. Perry was the perfect life partner for JoAnne and he always put her first in his life, after his Lord and Savior. He had a great sense of humor and a big booming voice, never to be forgotten. We will all miss you, Perry and will look after JoAnne for you. Love you always
