“ October 13th was a very dark day for me. I lost one of the men I loved most in my life, my brother. He was a loving, caring, giving person and he loved his family with all of his heart. He was always there for me, someone I could always depend on. I remember my mother telling me that when I was born he was so excited that he had a sister, that he jumped up and down on the bed and broke it. I was a very lucky lady to have you for my brother, there could be no better. Now, the two men I loved most are together in heaven, my husband Benny and my brother Peter. You told me that when you leave here, you were looking forward to having some good card games with your buddy Benny. Now I have 2 guardian angels watching over me. I will love you always my brother, till we are together again, save me a seat at that card table. I love you.....your lil sister... Mary Ellen

“ *My prayers go out to Brenda and the rest of the Guido family at this very sad time. I had the pleasure of meeting Peter on several occasions when his son Daniel lived in Pennsylvania. He was a wonderful man and I'm sure he will be greatly missed. Your family is in my heart always.*

“ On October 13, My husband, best friend and soulmate passed on to a more peaceful and beautiful place and will always be in my heart.

I am very blessed to have had such a loving husband, loving dad to all his children and his beautiful sister.

He was a gift to my heart, a friend to the spirit, a golden thread to the meaning of life.

He took such good care of me. I loved him so much and will always miss him.

I will carry all our beautiful memories with me forever.

I love you honey and we will be together again. I know you are at peace and left behind so much love for every living person you met. Your pet soulmates, especially Summer and Valentine will meet you at the the rainbow bridge one day and cross over with you.

You are always on my mind and I will carry you with me everyday in my heart and soul. Your loving wife best friend and soulmate, your Babe.
