“ *When I think of Phyllis, I think of kindness, sweetness, love, a big smile, and ELVIS! Have many fond memories while working with Phyllis, but the greatest memory of all is when her co-workers came together to make her dream come true. She once mentioned if she could go anywhere on earth it would be Graceland. We mentioned it to our co-workers, and in no time received enough monetary gifts to pay for her entire trip including spending money and even some casino money. The trip was magical for her to say the least. She laughed, cried, and was beyond excited the entire trip. I know Phyllis is walking the streets of gold with her Sweet Jesus, and I like to think that maybe, just maybe Elvis was there to welcome her as well. 💔*
