“ *I can't believe that this is all true!  
I am heartbroken and numb and sad and blue.  
This was not your plan, so much left to do.  
Too long did I wait to reach out to you.  
Now your angel wings spread beyond our view,  
while your loved ones wait at the gates for you.  
Devastated are we that you left us too soon,  
cherished love and memories shall carry us through.*

*Richard, continued prays for you and the kids, and Penny at this very difficult time. Know that you and family are loved in more ways than you know, and Piper will be so missed by so many.....*

*With loving memory, Dawn LeBlanc*
