“ *Ohh Miss Polly, You will be missed by so many of us. You have ALWAYS been such a beautiful and amazing person. Your beautiful inside and out. You always had such a beautiful smile on your face no matter what time of a day or night it was, or no matter what you were going through, you were still smiling and shining like Gold!! I really missed seeing coming in our store " Quick Stop " where I work to get coffee. I Miss our little talks that we would share together. I know that you helped lift my spirits up two years ago when I lost my sister. Now, you are gonna be with her in Heaven, please give her a hug for me, and you two keep looking down on me.. Love You ❤️ Polly ❤️ my condolence to the family.*

“ *Ms. Polly.. you will be missed so very much! I always loved hearing your sweet voice on the other end of the line. Thanks for being a dear friend to my grandmother (Jean Dykes) and my dad Steven Canfield. You were one of a kind. So sad you never got to meet my children... was planning that for Christmas but we didn't quite make it. We will meet again.. love to you my friend. You were a beautiful light in a dark world.*

“ Polly cleaned house for me for the past seven years. She had the outlook on life that "grab it all as much as You Can". Never was down in spirit, and always striving for something else to try and conquer.....she is missed, and if there is a better place, she is certain to be there...
