“ Our thoughts and prayers are with the family. Raleigh was a very special man... always a down home family man.... always cheering his children on. One of the many legends of Woodville.... always had a good story to tell and willing to help anyone that needed him. Jimmy has been waiting for you to get there cause we all know he has some stories to tell you,,, just wait your turn Beverly, I am sure the rejoicing has started and if you listen closely I know you can hear them. Much Love To You and The Family!

So sorry to hear of Raleigh passing. I was an electrician also and we would see each other in the electrical supply houses for 50 plus years. We became friends thru the years. It was always good to see him.

Uncle Raleigh was loved by all! I will miss you and your sense of humor. I will always remember you saying, "Is that your dog behind you?" Used to catch me every time, when I was a kid. You will truly be missed.
