“ My Uncle Butchie is such an amazing and inspiring man. I never met anyone who loved Jesus as much as he did, and I'm so excited that he gets to be with Him for eternity now! I miss him so much and I'm sorry that we couldn't get together after covid like we planned, but now we can meet another time in a more beautiful place. Thank you for teaching me so much in such a short time and for fostering and growing my love of music (especially the drums!!) animals, and Jesus. I'll see you again when the time is right, Uncle Butch. I love you and TiTi so much.

“ I remember when you were born. You will always be my “first baby”. Pushing you in your stroller and feeding you. I had planned a trip to visit but that did not work out. Be at peace my nephew and know that you are loved by many. You are with Jesus now.
