“ Tina, Marsha, and Robert, so sorry to read of your Dad's passing. I figured something had happened when I saw the load truck up front for sale. I pass by his place every day on the way home on Natural Bridge. I knew your Dad pretty well ever since I bought his Dad out of the Upholstery business in 1992. I've done a few jobs for Dale and he has helped me with a few difficult trees over the years. I know he cared about his family and worked hard to support you and help build a life for you. My condolences to you and your families. Randy Jones
