I miss you my darling. Still hear your voice when you needed me; saying "Lois Jean"..... You are/were the best of all of us. I love you still. Your Lois Jean.

*“ Despite having just now posted here, Bob, you are thought of quite often if not everyday.
It is my honor to call you not my step-father but rather my dear father. You were more kind and generous to my mother, Lois, than anyone I have ever known. I feel I deep loss when I think of you and that cannot be said unless you truly, deeply, touched my life. Your Son (if I may), Donald.*
