“ Bobby and I grew up together. When we first met when I was 5 years old he gave me a rotten coconut. We laughed about that ever since We continued our friendship throughout the years. We lost some touch when I served in the Navy, but he always had time to see me and spend some time when I was home on leave. He attended my retirement ceremony in 2004 and we had a great time with friends and family through that whole weekend. Godspeed Bobby, you were always considered part of the family of best friends.

“ *When people ask me who my best friend is I've always told them Bobby Yontz. For me being an introvert and Bobby being the opposite it was definitely a great experience. He was someone you could put your trust into and you knew he would be there for you if you ever needed him. I can only Echo so many things that Keith said. Bobby was one of a kind and I was lucky to call him a friend. I've been praying for the family my thoughts are with you. Love Fitz*

“ I've known Bobby for over 50 years and my fondest memories are playing basketball with him and winning a championship in the Dan Witt summer league!

Yontz was a naturally gifted athlete who could play Basketball, football and softball! He was also an extremely good bowler and excelled in shooting pool! A diehard Dolphins fan and avid fisherman. At times stubborn and hard headed he was ALWAYS a loyal friend! That is something I will always remember ❤️ him for!

Sometimes a rough exterior but he had a generous heart and a good soul!

Most importantly I was able to see the compassion, caring and love shown by his family! My heart goes out to his niece Casey, her husband Jany and his brother Clayton 😭! Thank you for making that memory I can hold onto the rest of my life!!

Until we meet again Yontz RIP

Love, Keith
