This makes me cry. I didn't know what he had been doing and don't remember the last time I talked to him. It was maybe a year ago or two. Met him in early 90s and was with him in St C. He was a very close friend. I'm pretty heartbroken. I wish I'd been there for him. I miss his great sense of humor and his generous heart. There will never be another Ron. Big part of me is empty as hell. Goodbye my dear. ❤️❤️❤️
