Enjoyed working with Ron at Fla Lottery for many years. He possessed a lot of knowledge about so many things and always had a good solution for fixing problems. Definitely an asset to our team and will certainly be missed by family and friends.

Grace and Peace,

Ron was a dear friend and neighbor for 28 years. There was nothing Ron could not do, when he put his mind to it. He built a stone fireplace in his house, he re-upholstered his mom's antique chaise lounge,-- he knew how to sew-- a lost art. . He tiled his countertops and completely re-made his kitchen. He was a collector of all things that interested him. We both loved cooking and recipes and would almost fight over cookbooks at garage sales. There are so many memories that I wish I could rehash with my friend RIP Ron, I miss you so much.
