

Ronald Hayden Gray

May 25, 1944 - August 24, 2020

Ronald “Hayden” Gray, 76, of Tallahassee passed away peacefully on August 24th, 2020. He was born on May 25, 1944 in Medart, Florida, the second of three sons to the late Susie and Rev. Truman Gray. Hayden is survived by his wife of 54 years, Karen Bell Gray, his children; Lisa Hodgson (Todd) of Oviedo, Ronnie Gray (Stephanie) of Live Oak, Nicholas Gray (Lee Ann) of Crawfordville, his siblings Laymon Gray (Dottie) of Crawfordville, Gary Gray (Miriam) of Medart, his best friend Jerome Jones of Tallahassee, and grandchildren; Kyler, Mackenzie, Hayley, Fallon, Hannah, Cooper, and Drew.

Hayden was a lifelong member of Lake Ellen Baptist Church. He was a graduate of Sopchoppy High School Class of 1962, where he was heavily involved in athletics and served as the senior class president. Following graduation, Hayden attended and graduated from Chipola College before moving to Washington, DC to work for US Air (now American Airlines). While at US Air he held several positions, and eventually lead the Finance and Payroll Departments. In 1977, Hayden moved his family to Tallahassee, Florida, where he took a job with the State Department of Labor. For the next thirty-four years, until his retirement in 2011, Hayden selflessly served the constituents of the State of Florida, in various departments, as a Bureau Chief and other administrative positions. He was respected and revered by his colleagues and formed many lifelong relationships with those he worked with. Hayden was a dedicated father first and foremost. He treasured his children and embraced every moment with them. Hayden was a father figure and role model to many, having coached little league, and been a constant figure at Florida High’s sporting events during the time his sons played.

Hayden was admired by many for his unparalleled kindness, knee-jerking humor, charismatic personality, and the love he shared for his family, especially his grandchildren. Hayden, known as “Papa”, was a dedicated and loving fixture in all of his grandchildren’s lives. There was nothing that he wouldn’t do to ensure that they were happy and loved, and to tell the truth there was nothing he loved more than being a grandfather. God really hit the mark when he made Hayden Gray, for there has never been nor will there ever be a “Papa” quite like him. He will be deeply and sincerely missed, but his memory will live on in the many lives of those he touched.

The Gray Family will be having a private graveside service and internment at Lake Ellen Baptist Church of Crawfordville, Florida on Friday, August 28th. No public memorial service has been planned at this time. Flowers are welcome and may be sent to the Family Funeral Home of Crawfordville, Florida.

“ Alecia and I always enjoyed our social time with Hayden and of course Jerome during our working days with the Department of Labor. At one time or another Hayden was our supervisor at Compliance but he remained the ultimate professional. You were a good man Hayden Gray. Rest In Peace.

“ Hayden was one of the athletes I looked up to at Sopchoppy High School. Later in life, we ran into one another in Washington, DC—I was in the service and he was working with the airlines. Hayden was involved in flag football and softball leagues. He got me involved as a player/coach and helped to put me on the path to my coaching career. What a great person - he will be missed.

“ Spent most of the day reminiscing about my best friend during our days in school at Sopchoppy. So many wonderful memories of times together. Overnights spent in Smith Creek and overnights he would spend in Medart. Lots of good natured mischief with many stories I could tell. Some maybe not! Not everyone is given a childhood friendship like the one we shared. The hands of time moved on and we did not see each other frequently, but when we did, we would pick up right where we left off so many years before. Thanks for the memories my sweet friend. Love you.

I worked with Hayden for many years at the DLES and loved and respected him. You never saw Hayden without Jerome and usually in their office at the Governor's Square Mall. My heart is sad and I know H as Ayden will be greatly missed. Prayers and peace for the family. Affectionately, Aletta Shutes
