“ Oh my gosh the memories i could post. Riding around in Leesburg, Fla. in all the different vehicles she had through our teen years. We used to go to daytona beach in an old willys jeep she had. Ride to skating rink in her huge long i think it was a catalina or bonniville, it was a tank. Then she finally got cool and got a baby blue duster. How fun it was just to ride around town and drive through mcdonalds like 20 times a night on friday night just to see who else was there. She truly was a great friend. She will be missed deeply. It wont be long though and i know i will be riding through Mcdonalds again. Lol. Love ya sandra.
