“ Ashley and other family members, I was fortunate to have known Sandy for the past few years, what a fine person she was. She was such a big help to my family and me. She began housekeeping for my parents when they became elderly and frail, and they were so glad to have her there. When they eventually had to go to nursing home, I asked Sandy to help at my home. She was amazing and knew how to do everything. I will miss her so much. You have my sincere condolences.

“ Sandy entered our door and our hearts 12 years ago. She loved and cared about our restaurant and our customers. She was the first one to step up to help any one in need. It was a great privileged to have been apart of the last 12 years of her life. She will always be on our hearts. Until we meet again, my dear friend!

We send our love and sympathy to Ashley and her family. Sandy was a truly special person that had such a kindness about her. She touched so many lives in so many ways. She will be missed. Weekends at Savannah's will never be the same. When Sandy was in the house, everyone knew it. She was a take charge lady and I'm sure she is taking charge in heaven. Rest in peace, sweet lady.
