This was beautiful Jason ! May God bless you and your family. My prayers go out to you all. A lost of a brother is hard. But the lost of a son has to be unbearable. Prayers

“ If only you knew how much I miss you. No you'd never come back from The Beauty of Heaven & ALL of the Complete Unconditional LOVE you have found there. I am so happy for YOU. No pain, stress, heartache...Only Love. I will see you again on That Day that God calls Me Home. Until then, I will forever miss you...My Cousin, My True Friend. I love you so much. I sure do miss your laughter. My days, my phone, my heart will always have a special place of quietness and emptiness that only you filled.

Scotty, I sure do miss your good cooking....walking into Mama's house and you were always pulling some new, mouth watering Paula Dean recipe dish out of the oven....and I loved how you always made me brownies when you knew I was coming over. I loved you more in those days 😎❤️ You were always laughing even when you were having a bad day. You seemed even happier if you were doing something that helped someone else or doing something for those grand babies. If you were not swith your grand babies, you were missing them. They were your heart, and now....:you will be watching over them and always keeping them safe and on a good path. I miss you brother. You're heart was always in the right place....and every time we hugged, you made my heart smile.
