“ To Sharon's family: She was such a very sweet lady. Over the years at work we came to know a bit about each other. I can tell you all she LOVED all of you so much!! And the grandbabies, all of them, were the light of her life. Remember and cherish all the good times you had with her. All of the fun and funny things. She always had a big smile on her face when she would tell one of her stories about being on the water or giving cookies/snacks (that she was not supposed to do) to the grandkids.

*We are going to miss her so much at the office, too.*
