Beautiful, she'd be so pleased of this tribute to her.. I will be praying for her 3 sons, such a sad thing for them I know she loved with all of her heart.

Yes I sure she would be telling y'all " don't worry about me". She has spread her wings and she's flying and she's well, happy and rejoicing with those that she has missed on earth.. Marie I pray for you to have peace and comfort in the years ahead, don't carry this grief you've carried enough the let 10 year.. Bless to her other sibilings & her grands.. I'll miss Sharon but I'll never forget her.. To now her was to love her.

Love Melanie 💖

I have known Sharon for as long as I can remember, I believe we first met at Woodville Elementary School. She was always at my yard sales and I will miss our talks! I was sadden to read of her passing, she told me the last time I saw her that she was having medical issues.
