“ *Huzzy and Wuzzy, Thelma and Louise. Whatever the name, you see one you see the other. Sheila I will love you and miss you until we meet again. By now I'm sure you have told St. Peter, "Don't split the cheese! " There are so many wonderful memories that we have shared through the years and I will never forget you. You were my "ride or die". "It's 4:00 we gotta get dressed and head to the Hobbit for happy hour". Then here comes Sonja and nothing rhymed with Huzzy or Wuzzy so we became the Ya Ya Sisterhood and added more adventures and memories to our lives. You were such a good friend that when I stubbed my toe and cried out in pain, you would holler back "ohhhh" just as if you had felt my pain. There's Brown Sugar AKA Silver Back (the name you chose) AKA Ted. We had a ton of laughter and I mean "pee in your pants laughter". Your smile brightened every corner of the room and I am blessed that I had you in my life for all these years. Nick and Lucas loved their She-She and you were a 2nd mother to Jessee.*

"Remembering you is easy,

I do it every day,

but missing you is a heartache

that never goes away ". Save me a seat until we are dancing in the sky.

Love, Wanda
